album retreat
CLOSE to my HEART®

We are so happy that you will be joining us for our upcoming Facebook Live Virtual Album Retreat which will take place on October 7–8, 2021 (North America)/8–9 October 2021 (Australasia/Japan)! Your Album Retreat bundle will ship in September and contains materials for completing an entire album's worth of scrapbook pages so beautiful that they practically jump right out of the album! The finished album will include a total of 22 incredible 12" × 12" scrapbook pages: 11 two-page layouts (one of which could also be broken up to create an opening and closing page), all featuring unique artwork techniques that make each page a timeless keepsake.

You will be invited to join an exclusive Album Retreat Facebook group closer to the date of the event. This is where you will be able to view our livestream of the projects on both days as well as view the event schedule and download instructions. After the live event, the videos will remain available to view in the group at your leisure.
