Now & Forever Scrapbook Workshop Guide

Project 1

- Base pages: White
- After Newsprint pattern paper has been torn as per cutting guide instructions, roll back the torn edges so the Ledger pattern shows slightly.
- Adhere Newsprint paper to outside edges of each page.
- Tuck Desert Rose strips under pattern paper to show around 1/4" out from the pattern pieces.
- Adhere Seabrook large photo mats centering on the page on the inside edges of the base pages as shown.
- Adhere zip strips at bottom edge of Seabrook photo mats.
- Adhere Ledger pattern pieces on the page centering them using the Seabrook photo mats as a reference.
- Adhere photos to mats in a grid style pattern as shown above.

Left Page:

- Cut large decorative frame sticker at top & bottom sections to tuck under 4x6" photo with the gold section showing.
- Tuck Doily Heart under 4x6 photo.

Both Pages:

- Adhere pink frame sticker to White Daisy cardstock and trim the cardstock. Stamp title inside the frame in Desert Rose ink and adhere to page.
- Tuck stickers, embroidered accessory & stamped images under frames & photos and cluster elements as shown.
- Stamp hearts in Seabrook Ink around the clusters & heart.
- Adhere Gold Glitter Gems.

Project 2

- Base pages: White
- Adhere double Photo Mats together - Scarlet base & Seabrook top.
- Centre Heart pattern paper to inside edges of base pages.
- Adhere zip strip lengthways along edge of Heart pattern paper.

Left Page:

- Adhere Ledger pattern paper to edge of zip strip, lining it up with the top edge of the Heart pattern paper.
- Trim pink lace border sticker strip to 9" and adhere to edge of Ledger pattern paper.
- Adhere photo mats at measurements shown above.

Right Page:

- Adhere Small Floral pattern paper to edge of zip strip, lining it up with the top edge of the Heart pattern paper.
- Adhere Ledger pattern paper to edge of Small Floral pattern.
- Trim pink lace border sticker strip to 9" and adhere to edge of Ledger pattern paper.
- Adhere photo mats. Start with the top & bottom left mats at $\frac{1}{2}$ " in from left edge, and position at measurements shown. Adhere remaining photo mats leaving $\frac{1}{4}$ " space between each mat across the page.

Both Pages:

- Cut button stickers in half and adhere to layouts tucking them under the 4x6 photo at left edge on left page, and bottom right photo on right page.
- Adhere stickers & Embroidered Accessories to both pages using foam tape as desired.
- Stamp hearts in Seabrook Ink around the sticker clusters.
- Adhere Gold Glitter Gems around the cluster elements.

Project 3

- Base pages: Mulberry
- Adhere White Daisy to base pages centering on page.

Adhere photos as shown:

- For left page start with 3x4" photo at measurements shown and then build the rest of the page with 6x4" photo and pattern papers leaving a 1/8" gap between each piece. Using a T-Rule will help with lining up the edges of all the pieces.
- For right page start with 3x4" photo at measurements shown and then build the rest of the page with 6x4" photo and pattern papers leaving a 1/8" gap between each piece.

Left Page:

- Adhere title: Mulberry strip on top of White strip - adhere "Our Story" sticker on top and adhere to page as shown & trim off edge of strip.
- Adhere White Doily Heart to page.

Both Pages:

- Tuck small circle stickers under photos as shown.
- Adhere stickers & Embroidered Accessories to both pages using foam tape as desired.
- Stamp hearts in Seabrook Ink around the sticker clusters.
- Adhere Gold Glitter Gems around the cluster elements.
