Preparation Guide

Cut Papers & Cardstock according to cutting diagrams. Check the cut orientation below each cutting guide image. This will show how to cut the paper, keeping the patterns on your project pieces facing the right direction. As you cut, sort the pieces as indicated in the cutting guide, creating a stack for each project.

Key: P1 L = Project 1 Left Page, P1 R = Project 1 Right Page ; * = Backside of Paper/Cardstock

Preparation Guide

You will need the following stamped images prepared as follows:
