(4) ½ x 3½ Card 1

White Cardstock

Card 1: Make 4 Standard Cards

Stamp and Color Bear

- Stamp Bear with Intense Black ink.
- You will use Red Brown TriBlend to color bear.
- LIGHT Red Brown: Ends of hands, feet, and belly
- MEDIUM Red Brown: Ears, head, inside areas of arms and legs
- DARK Red Brown: Outsides of arms and legs and the body
- Finish bear with White Gel Pen dots on feet and ears. Set aside.

Stamping

- Stamp Beary Sweet on $\frac{1}{2}$ " x $3\frac{1}{2}$ " White Daisy. Layer sentiment on $\frac{3}{4}$ " x $3\frac{1}{2}$ " Scarlet.

Building Card

- Layer striped paper on Scarlet cardstock. Adhere to center of card front.
- Add sentiment strip $\frac{3}{4}$ " from bottom of card.
- Add circle to card front $\frac{3}{4}$ " from top of card and centered from left to right.
- Adhere bear to circle with thin 3-D foam tape.
- Finish card with Puffy Heart Stickers using the smallest red in the center of the belly.

Card 2: Make 4 Standard Cards

Stamp and Color Bouquet

- Stamp Bouquet with Intense Black ink.
- You will use Coral Blend TriBlend to color bouquet.
- MEDIUM Coral Blend: Bouquet wrap
- DARK Coral Blend: Bow and Flowers
- MEDIUM Dull Green: Leaves
- Finish bouquet with White Gel Pen dots on bow. Set aside.

Dovetailing and Stamping

- Dovetail two pieces on right end: 1½" x 4" dotted paper and 1½" x 5¼" Valentine icons.
- Stamp LOVE on dotted paper as shown with Scarlet ink.

Building Card

- Adhere Valentine icons paper ½" from bottom of card.
- Follow with dotted paper strip 1 ¼" from bottom of card.
- Adhere bouquet as shown with thin 3-D foam tape.
- Finish card with Puffy Heart Stickers using the smallest red on the bow of the bouquet.

Card 3: Make 4 Standard Cards

Stamp and Color Heart

- Stamp heart with Intense Black ink.
- You will use Coral Blend TriBlend to color heart.
- MEDIUM Coral Blend: Top of heart
- DARK Coral Blend: Outside of box and bow
- Finish heart with White Gel Pen dots on top of heart. Set aside.

Stamping

- Stamp Valentine Love on 4" x 5¼" with Scarlet ink. I highly suggest that you do not use one block to stamp this sentiment. The fonts are two different thicknesses, and you will get your best stamp if you do them separately.
- Valentine must be ¾" from the left edge and 1¼" from the top. Love is stamped below Valentine and cannot extend beyond the word Valentine. Measurements are important so that you are able to keep the sentiment behind the square on the front of the card.

Building Card

- Fold the card front to the left to fold it in half. This creates a small Z-fold. Use a bone folder to make this a crisp fold.
- Adhere floral paper to the front of the fold and add the dotted paper to the inside of the card.
- Layer the Scarlet cardstock to the Peach. Using thin 3-D foam tape, adhere the heart to the center of the layers.
- Put adhesive only on the left half of the back peach cardstock. With your card folded, add to card front. It will cover the inside sentiment.
- Finish card with Puffy Heart Stickers.

Card 4: Make 4 Standard Cards

Stamp and Color Circle with Heart

- Stamp Circle with Intense Black ink.
- You will use Coral Blend TriBlend to color bouquet.
- LIGHT Coral Blend: Inside circle
- MEDIUM Coral Blend: Outer circle
- DARK Coral Blend: Heart

Envelope and Stamping Scalloped Frame

- Fold the envelope leaving the top fold straight. Add adhesive only on the bottom flap on the edges that meet the other flaps. We want to be able to tuck in the scalloped frame.
- Stamp scalloped frame and I LOVE YOU sentiment with Scarlet ink. Tuck and adhere inside of envelope at an angle as shown.
- Add the circle with heart with thin 3-D foam tape.
- Finish the envelope with White Gel Pen dots on sides. Set aside.

Building Card

- Adhere Valentine icons paper ¼" from bottom of card.
- Stamp LOVE NOTES above the paper with Scarlet ink. Stamp it once on the left edge and once on the right edge.
- Adhere envelope to card front.
- Finish card with Puffy Heart Stickers.
