Getting Started:

- Gather all materials needed.
- Trim all zip strips and set aside. The zip strip is the ½" accent paper along the top of each sheet of patterned paper.
- Light grey pieces on your cutting guide are scrapbooking project pieces. Dark grey pieces are cardmaking project pieces. White pieces are leftover paper.
- As you cut your paper, label and sort the pieces as indicated in the cutting guide, creating a stack for each project.

Key:

✂ = first cut | * = use back of paper | P = project

cut diagonal = angle in trimmer

■ = suggested stamp arrangement

(See project instructions for ink color and other details)
