

# Blue Skies Card Workshop

18 card workshop – 16 unique card designs with 2 fancy fold cards.

## Cutting and preparing tips:

- Trim all zip strips – the zip strip is the  $\frac{1}{2}$ " accent paper along the top of each sheet of patterned paper. These will be used on various cards as borders and titles.
- Each card is numbered 1-18. As you cut the patterned paper and cardstock, sort each piece as indicated on the cutting guide, creating a stack for each project.
- Lagoon Cardstock – the embossed pattern runs horizontally.
- Green Apple Cardstock – the first cut will be the  $\frac{1}{2}$ " strip from bottom.
- Lagoon Grid/Pink Gingham B&T – the first cut will be the 'Wonderful' title from bottom left corner.
- Sapphire Pattern/Green Swirls B&T – first cut will be #17 from bottom of paper.
- Green Stars/Rainbow B&T – first cut will be #18 from bottom of paper.
- Use the remaining White Daisy Cardstock to stamp images and titles for each card and cut with Thin Cuts.

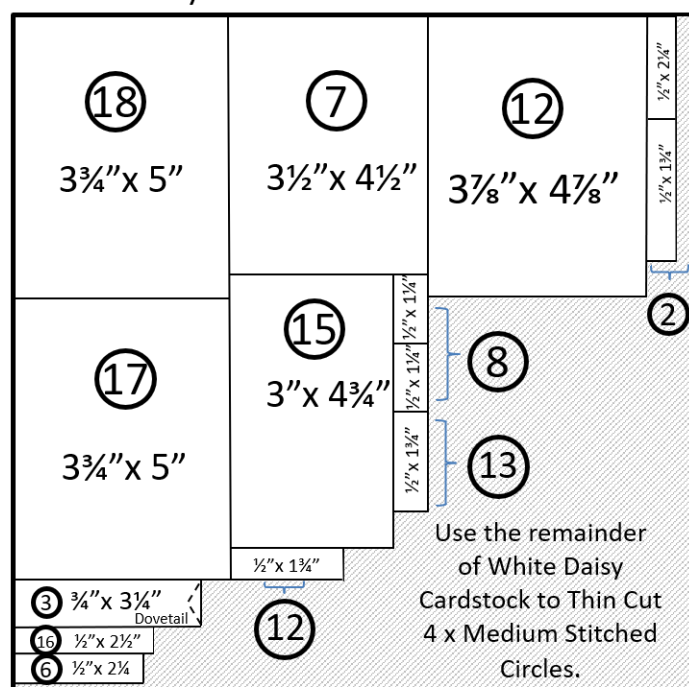

## To create Pinwheels:

Cut Pinwheel shape using the Pinwheel Thin Cut.

Slide a Silver Brad through one hole in tip of Pinwheel. Continue adding all the tips of Pinwheel onto the Silver Brad. When you have all the tips over the brad push brad through centre of Pinwheel.

Add 1 x Medium Stitched Circle cut from White Daisy Cardstock to back of Pinwheel then spread out brad. Add a small amount of 3-D Foam Tape to the circle. When you adhere this to your card your Pinwheel will turn.
