### Preparation Steps

After you have cut cardstock, you will need the following images prepared as following:

warm wishes  
 from our  
 house to  
 yours  
 WINTER  
 Greetings  
 You're  
 truly one of a  
 KIND  
 WISHING you a  
 season of GLADNESS,  
 a season of CHEER,  
 and to top it all off, a  
 WONDERFUL year.

'Wishing You A Season Of Gladness' Stamp - 1 stamped in Pine Ink onto 1A 3-1/2" from the top & centered. Stamp as desired on inside of remaining cards.

'Warm Wishes' Stamp - 1 stamped in Pine Ink inside card 1 3-1/2" from the top & centered; 1 stamped in Pine Ink onto 2F; 1 stamped in Pine Pink onto 6F 1/2" from left edge & centered; 1 stamped in 2nd generation Sapphire Ink onto 7D 1/8" from the top & centered.

'Winter Greetings' Stamp - 1 stamped in Espresso Ink onto 3F, centered; 10 stamped in 2nd generation Espresso Ink onto the White Daisy Card Base on Card 8 (3 across top & 2 staggered below; 3 across bottom & 2 staggered above).

'You're Truly' Stamp - 1 stamped in Sapphire Ink onto 4G 1/4" from top & centered; 1 stamped in Sapphire Ink onto 5D 1/4" from top & centered.

Using the White Daisy Ink Pad, squeeze the lid into the ink pad to create a paint palette. Using the Small Round Waterbrush (filled with water), squeeze a few water droplets into the ink to create 'paint'. Lay out pieces 1A, 2A, 3A, 3C, 4B onto an All Purpose Mat and splatter all the pieces with the 'paint' using the Small Round Waterbrush until you achieve the desired look. Set aside to dry. Be careful when adhering pieces to project as not to smear the paint.

Clean White Daisy 'paint' out of Small Round Waterbrush.

Repeat the above process using the Sapphire Ink Pad for the front card base for Card 6 & piece 6F.

Adhere 1A to Card 1 base. Attach the 3" Circle Thin Cut using removable tape 1/2" from top of card & centered. Lay the card open onto the Die Cutting Mat & run through Die Cutting Machine. **Set aside the 3" Pine Cardstock to use on Card 8 as piece 8E.**

Tack down pieces 1B-1G to cutting mat leaving 1/16" between each piece. Attach the 3" Circle Thin Cut using removable tape centered over top of pieces as shown & run through Die Cutting Machine.

Attach 4G to 4F; measure 1-7/8" from top & cut the bottom portion off.
