Project 2	-	2	-	2	-
Project 3	2	-	-	-	1

Getting Started:

- Gather all additional materials needed.
- Trim zip strips and set aside. The zip strip is the ½" accent paper along the top of each patterned sheet.
- Check the cut orientation below each cutting guide image. This will show you how to cut the paper, keeping the patterns on your project pieces facing the right direction.
- Light grey pieces on your cutting guide are scrapbooking project pieces. Dark grey pieces are card project pieces. White pieces are leftover paper.
- As you cut the paper, sort the pieces as indicated in the cutting guide, creating a stack for each project.

Cutting Diagrams:

Important instructions for Cricut® cuts: Where there are Cricut® shapes in the cutting diagram, start by cutting all straight pattern pieces first. Use the remaining paper to cut pattern pieces requiring a Cricut® shape.
