The Great Outdoors 12" x 12" Canada Scrapbook Workshop Assembly Instructions

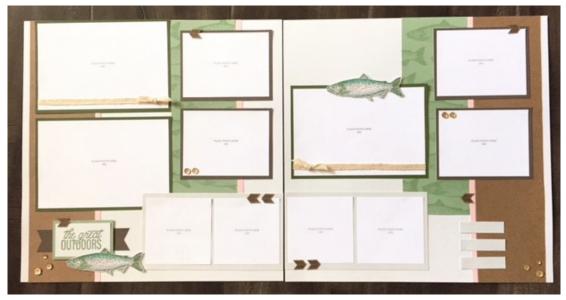

<u>Key Diagram:</u> L1, L2 = Layout 1, Layout 2

Assembly Instructions:

- 1. You will use two NE Ivy CS sheets for the bases. Stamp both Sage pieces with Sage ink using the compass stamp. Glue these to each corner at the top of each page, leaving a ³/₄" from the top and edge.
- On page one, glue the Espresso photo mats right to the edge and next to each other. Glue the black 2" x 2" square underneath the Espresso mat, leaving a ¼" at the top and left side. Glue the Glacier mat next to the Espresso mat.
- 3. Cut dove tails on the Glacier banners. Glue one to the left of the Espresso mat.
- 4. Stamp your goose in black archival ink. Color with a brown watercolor pencil. Cut out. Glue the Espresso (Lt side) square to the Espresso (Dk side) square. Glue the linen square to the Espresso square. Glue this to the bottom left corner. Adhere the goose with thin foam tape to the center. Add a arrow to the bottom left corner. Add two gold sequins to the top right corner and a glacier banner to the right of the square.
- 5. Glue a strip of burlap ribbon underneath the mats. Stamp the arrows on the Kraft strip in Espresso ink. Glue this underneath the ribbon. Glue the black strip underneath the Kraft strip.
- 6. After you have cut out your "CANADA" letters on your Cricut, adhere them with thin foam tape at the bottom right corner. Add two gold sequins to the "D".
- 7. Stamp "The Great Outdoors" in Sage ink on the small linen piece. Stamp arrows across the bottom in Espresso ink. Glue this piece to the Espresso piece. Adhere with thin foam tape to the right and above the photo mat. Add a Glacier banner to the right.
- 8. Add four gold sequins to each corner of the center photo mat.
- 9. Page 2, glue the Espresso mats next to each other. Glue the black 2" x 2" square underneath the Espresso mat. Add a Glacier banner to the right of the mat.
- 10. Stamp your moose in Espresso ink and the fish in NE Ivy ink. Color with watercolor pencils. Cut out.
- 11. Glue the 3 ¼" x 4 ¼" Glacier mat next to the Espresso mat. This glacier mat is optional for the linen journaling strips. If you choose to use these for journaling instead of the photo, glue these across the glacier mat. You won't need the 3" x 4 " photo placeholder. Glue a strip of burlap ribbon across the bottom of the mats. Tie a burlap knot and glue this to the right side of your ribbon. Stamp your Kraft strip using the arrow stamp in Espresso ink. Glue this underneath the ribbon. Glue the black strip underneath the Kraft strip.
- 12. Glue one Glacier square next to the right edge, leaving a ¼" on each side.
- 13. Glue the Lt side Espresso piece to the Dk side Espresso piece. Glue the linen square to the Espresso square. Adhere your moose using thin foam tape to the center of the linen square. Add a arrow to the right bottom corner. Add two gold sequins at the top left side.
- 14. Now glue the other Glacier photo mat to the left side of the moose, leaving a ¼" space on each side.
- 15. Adhere your fish with thin foam to the top of your Espresso photo mats. Add three gold sequins to each corner of your left Espresso mat.

The Great Outdoors 12" x 12" Scrapbook Workshop Assembly Instructions

Assembly Instructions:

- 1. You will use the two Linen CS sheets for your bases (Lt side). On the first page, glue the Kraft piece to the left side of the page, leaving a ½" space from the edge. Glue the Peach strip next to the right of the Kraft piece.
- 2. Stamp the fish on both Sage pieces with Sage ink. Stamp the fish in one direction. Glue one Sage piece to the right side of the page, leaving a 2" space from the edge.
- 3. Glue the Peach strip next to the Sage piece.
- 4. Glue the NE Ivy photo mats overlapping the Kraft piece. Leave a ¼" space in between each photo mat. Glue a piece of burlap ribbon across the bottom of the top photo mat. Tie a burlap knot and glue to the right side.
- 5. Glue the two smaller Espresso photo mats to the right side, overlapping the Sage piece. Glue a arrow to the top left of the mat and add two gold sequins.
- 6. Cut dove tails on each end of the Espresso piece. Glue this to the bottom left corner, overlapping the Kraft piece. Stamp "The Great Outdoors" in Sage ink on the linen piece. Glue this to the Sage piece. Adhere this with thin foam tape over the Espresso banner. Stamp the two fish in NE Ivy ink and color with watercolor pencils. Cut these out. Adhere one fish with thin foam tape underneath the sentiment. Add a arrow to the left side of the sentiment and gold sequins to the left corner.
- 7. Glue the linen photo mat to the right edge of your page, leaving a ½" from the bottom. Add two arrows to the upper right side of the photo mat.
- 8. For page 2, glue the Kraft piece to the right side of the page, leaving a ½" space from the edge. Glue the Peach strip next to the Kraft piece. Now glue the Sage piece that was stamped next to the Peach strip.
- 9. Glue the two Espresso photo mats overlapping the Kraft and Sage pieces. Leave a ½" space in between mats and edge of your page. Glue a arrow to the top right of the mat. Add two gold sequins to the upper left corner of the bottom mat.
- 10. Glue the NE Ivy photo mat to the left of your Espresso mats, leaving a ½" space. Glue a strip of burlap ribbon across the NE Ivy mat. Tie a burlap knot and glue to the bottom left of the mat. Adhere the fish with thin foam tape to the top of the NE Ivy mat.
- 11. Glue the 3 linen journaling strips to the bottom right corner, overlapping the Kraft piece. Glue a arrow on top of the sage and peach pieces. Add sequins to the bottom right corner.
- 12. Glue the linen piece next to the edge of the layout, leaving a $\frac{1}{2}$ " space at the bottom. Glue two arrows at the bottom left of the linen mat.
