

Days of December Everyday Life Album

The following materials list and cutting diagrams are designed to create a 31 day mini album to document your everyday life during the month of December.

Materials Needed:

- CC11181 Days of December Workshop Bundle
- Z4219 Everyday Life Album – Black
- X7239E Picture My Life Cards – Christmas List
- X7239C Tis the Season Complements
- Z4194 White & Gold Skinny Ribbon
- Z3318 Basic Circles Thin Cuts
- Z4181 Stitched Circles Thin Cuts
- Z6509 Candy Apple Ink Pad
- Z2850 Fern Ink Pad
- E1041 Brushed Letters
- Y1003 2" x 2" My Acrylix® Block
- Z2060 Thin 3-D Foam Tape
- Z341 Mini Glue Dots
- Adhesive
- Before starting this workshop, I would cut out all 31 White CS circles and Gold Foil Circles so that you can stamp the numbers as you build the pages.
- Most of the White CS photo mats shown in the album are not a part of the cutting guide as they represent your photos.
- Because the album is so full already, I chose not to add extra bling like gems or sparkles but you certainly can.
