## Exclusive Stamp Set:

This workshop uses the Cricut® Artbooking Collection, which features designs in a wide variety of themes that can be used for any and every occasion. The necessary Cricut® shapes to complete this workshop are available as a project file in Cricut Design Space™, Made with Love Mini Album Workshop (<https://design.cricut.com/#/design/128692294>).

If you are not using a digital machine, see page 6 for specific Cricut® cut information.

Getting Started:

- Gather any additional materials needed.
- Trim all zip strips and set aside. The zip strip is the ½" accent paper along the top of each sheet.
- Check the cut orientation below each cutting guide image. This will show you how to cut the paper, keeping the patterns on your project pieces facing the right direction.
- Light grey pieces on your cutting guide are project pieces. White pieces are leftover paper.
- As you cut the paper, sort the pieces as indicated in the cutting guide, creating a stack for each project.

Cutting Diagrams:

**Important instructions for Cricut® cuts:** Where there are Cricut® shapes in the cutting diagram, start by cutting all straight pattern piece first. Use the remaining paper to cut pattern pieces requiring a Cricut® shape.
