Blue Skies Workshop

General Instructions

1. This workshop is very dimensional! So use foam squares for most elements on your page if you desire! It makes everything POP!
2. Ink all the edges of the paper; I used Black ink for all pages. I really like the inked look but this is completely optional!
3. The white cardstock photo mats I used for photo placement only, you do NOT need to have them on your layouts and it will save cardstock. If you would like to add them in you will need the following sizes:
5 x 4 ½ - 1
6 x 3 - 1
3 x 4 - 6
3 x 3 - 4
4 x 6 - 8
4 x 4 - 2

You will need the following stamped and die cut:

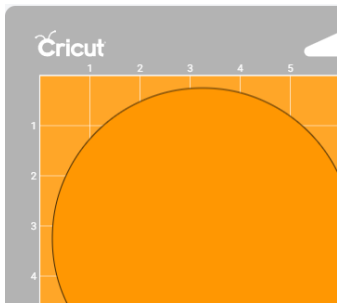

- Double Leaf - 10
- Leaf with Dots - 2
- Large Leaf - 3
- Small Leaf - 3
- Circle Leaves - 10
- Large Flower - 8 (3 Lemonade, 5 Candy Apple)
- Small Flower - 7 (3 Lemonade, 4 Candy Apple)
