

HAPPIEST PLACE 12 X 12 WORKSHOP

Please feel free to use the Flip Flaps, Silver Star Confetti, and any leftover pieces to enhance your workshop

Title Page

- Gather all pieces labeled “TITLE PAGE”
- Adhere pre-printed 8 ½ x 11” to the center of a piece of Black Cardstock (½” down from top edge and 1 ¾” in from left edge)
- Attach Glacier “in the details” photo mat 2 ¼” from top of page and 3 ⅜” in from left edge. Top with 5 x 7” photo placeholder, using foam tape.
- Place the sticker letters for “MAGIC” just above the photo mat.
- Adhere Lemonade striped rectangle sticker ¼” in from left edge at top of page, followed by the Glacier Banner sticker and the “You Are Here” die cut with foam tape. Attach the two smallest die cut stars using foam tape.
- In bottom right corner of page, place Lemonade striped half circle sticker 1 ¼” up from the bottom of page. Top with bold black and white die cut star. Next, adhere Note Card die cut 5 ¾” from the top of page, and in ¼” from right edge. Attach the largest die cut star along with Admission ticket using foam tape.

Layout 1

- Gather all pieces labeled “Layout 1”

Left Page

- Adhere pre-printed 8 ½ x 11” to the right edge of a piece of Black Cardstock, ½” down from the top of page.
- Using foam tape, attach 4 x 6” “Say Cheese” card to page, lining up the bottom with the bottom of the pre-printed photo mat to its right, leaving a ⅛” gap between the two.
- Using foam tape, attach red square die cut ⅛” below the “Say Cheese” card and top with a black heart die cut popped up in the center.
- Attach 4 x 6” photo placeholder onto its pre-printed photo mat using foam tape. Adhere 2 x 2” photo placeholder to the left of the pre-printed photo mat and above the “Say Cheese” card, as shown.
- Embellish page with Glacier heart banner and polka dot banner die cuts in upper left corner of page, 3 foam taped arrow stickers and heart sticker to the left of the 2 x 2” photo placeholder, and the “Smile” sticker tab above the pre-printed photo mat.

Right Page

- Adhere pre-printed 8 ½ x 11” to the left edge of a piece of Black Cardstock, ½” down from the top of page.
- Adhere 3 black photo mat squares, beginning ⅝” from the left edge of page and just below the word “SNAPSHOTS”. Leave just shy of a ¼” gap between each, and finish with the black and white journaling box die cut.
- Using foam tape, attach a corresponding photo placeholder to each of the 4 photo mats.

- Attach the “find your happy place” die cut with foam tape, centered above the white middle of the journaling tab.
- Finish by attaching banner and heart die cuts, as well as the camera sticker as shown, using foam tape on all but the blue banner.

Layout 2

- Gather all pieces labeled “Layout 2”

Left Page

- Adhere pre-printed 8 ½ x 11” to the right edge of a piece of Black Cardstock, ½” down from the top of page.
- Adhere White polka dot and Red lined circle die cuts to the left side of the pre-printed 8 ½ x 11” page. (They will be topped with the journaling box in a future step.)
- Adhere square Lagoon photo mat 4 ⅛” from top of page, and in about 1” from right edge. Top with photo placeholder.
- Leaving a ½” space, adhere Lagoon and White journaling box die cut to the left of the photo mat, lining up the bottoms.
- Place the sticker word “FUN” about ⅛” up from the bottom of the pre-printed 8 ½ x 11” page, centering the letter U under the yellow circle.
- Attach the stickers to the page as shown, using foam tape under the “This Way To” sticker. Cut the multi-colored arrow into two pieces, and reserve one piece for the right page. Use the larger piece on this left page.

- Using foam tape, attach the white star, yellow star and red heart die cuts to the page as shown in the photo.

Right Page

- Adhere pre-printed 8 ½ x 11" to the left edge of a piece of Black Cardstock, ½" down from the top of page.
- Adhere Lemonade lined and Glacier striped circle die cuts to the right side of the pre-printed 8 ½ x 11" page. Top with a foam taped 4 x 4" photo placeholder which is 4 ½" down from the top of page, and 2 ¾" from right edge of page.
- Adhere 2 Lagoon photo mat rectangles, the first placed 1 ½" up from the bottom of page and 1 ½" from the left edge of page, with a ¼" gap between them. Top each with foam taped photo placeholder.
- Adhere the black and white tab alongside the square photo placeholder. Using foam tape, attach the red circle with yellow star die cut, and the 2 white heart die cuts.
- Place smaller half of the arrow sticker above the 4 x 4" photo mat.

Layout 3

- Gather all pieces labeled "Layout 3"

Left Page

- Adhere pre-printed 8 ½ x 11" to the right edge of a piece of Black Cardstock, ½" down from the top of page.
- Adhere 4 x 6" photo placeholder ½" from right edge and down 2 ¼" from top of page.
- Adhere rectangle Lagoon photo mat ½" to the left of the 4 x 6" photo placeholder, and down 3 ¼" from top of page. Top with foam taped photo placeholder.
- Attach "Fill the World" and "The Best" die cuts, all with foam tape.
- Adhere the tag die cuts as shown, and top with a Lagoon star sticker and a castle die cut that are popped up with foam tape.
- Using foam tape, attach the white admission ticket and black hearts.

Right Page

- Adhere pre-printed 8 ½ x 11" to the left edge of a piece of Black Cardstock, ½" down from the top of page.
- Attach 4 x 6" photo placeholder ½" from left edge and down 2 ½" from top of page, using foam tape. Directly to the right of it, adhere the white semi-circle die cut, along with the black scalloped and black and white striped rectangular die cuts. Top with blue admission sticker and red heart sticker, both with foam tape.
- Adhere Lagoon photo mat square, ½" in from left edge and 6 ¾" from the top of the page. Top with foam taped 3 x 3" photo placeholder.
- To the right of this photo mat about ½" over, adhere another 3 x 3" photo placeholder as well as the white with red lined journaling box (popped with foam tape). Place black arrow sticker on top of journaling box.
- Attach the Lagoon star sticker and the "Celebrate the Little Things" die cut using foam tape.

Layout 4

- Gather all pieces labeled “Layout 4”

Left Page

- Adhere pre-printed 8 ½ x 11” to the center of a piece of Black Cardstock (½” down from top edge and 1 ¾” in from left edge)
- Place the letter stickers to add the word “DREAM” to the red striped portion of the pre-printed 8 ½ x 11” page.
- Adhere 4 x 6” photo placeholder 2 ¼” from top of page, centering from left to right within the red heart portion of the pre-printed page. Tuck in and adhere the red tag and white with red heart tag die cuts, as shown.
- Adhere the 3 x 4” photo placeholder to the page, diagonally.
- Tack the photo turns down lightly. Use large on 4 x 6” photo mat, and small on 3 x 4”.
***You might considering waiting until you have attached your photos before completing this step.
- Attach the “Love This” banner die cut with foam tape.

Right Page

- Adhere pre-printed 8 ½ x 11” to the center of a piece of Black Cardstock (½” down from top edge and 1 ¾” in from left edge)
- Adhere 4 x 6” photo placeholder at the bottom left of the pre-printed page, with a ¼” border on the left and bottom sides. Top with large photo turns. ***Again, you might want to skip this step until after you adhere your photos.
- Using foam tape, attach the 4 x 6” red and white “Today” card ¾” from left edge and about ¾” from top of page.
- Adhere the black and white journaling oval, as shown, and top with the die cut bow that has been popped with foam tape.

Layout 5

- Gather all pieces labeled “Layout 5”

Left Page

- Adhere pre-printed 8 ½ x 11” to a piece of Black Cardstock (½” down from top edge and 1” in from the right edge)
- Adhere 4 x 6” photo placeholder 2” from top of page, and 3” in from the left edge.
- Trim the Glacier striped banner piece to be 3 ½” (including dove tail) and adhere below photo placeholder. Place one complete black and white diagonally striped sticker above the photo placeholder.
- Cut the 2nd black and white diagonally striped sticker into 2 – 1 ½” lengths, setting one half aside for right page. With your remaining piece, dovetail on the long side and place on top of the red and Glacier striped banner pieces below the photo place holder.
- Using just the outer Lemonade portion of the die cut square, adhere it about 1” in from left edge and 2” up from bottom of page. Top with foam taped photo placeholder.
- Create cluster in top left corner, using stickers and polka dotted Glacier banner die cut, as shown. Use foam tape to create dimension. Add 2 star die cuts and balloon sticker, using foam tape.

Right Page

- Adhere pre-printed 8 ½ x 11” to a piece of Black Cardstock (½” down from top edge and 1” in from the left edge)
- Adhere the red patterned die cut rectangle about 3 ¼” down from the top of page, and 2 ¾” from left edge. Adhere the Glacier patterned banner directly to the right of it, slightly higher than the red piece.

- Adhere the Glacier scalloped frame die cut 3 ½” from the top of the page, and in 1 ¾” from left edge. Top with foam taped photo placeholder.
- Adhere black and confetti rectangle 2 ½” from the top and 3” from right edge of page. Place white and black accents tab sticker directly above.
- Attach 3 x 4” photo placeholder, using foam tape, 1” from right edge and 2” from bottom of page.
- Create cluster in top right corner of page using stickers and die cuts, popping the reel and heart with foam tape.
- Add remaining die cuts and stickers, as shown in photo, using foam tape.

Layout 6

- Gather all pieces labeled “Layout 6”

Left Page

- Adhere pre-printed 8 ½ x 11” to the right edge of a piece of Black Cardstock, ½” down from the top of page.
