

Card Front Spinner can be used with various stamp sets. See example below.

STEP 1

Cut pieces

STEP 3

Stamp card front

STEP 4

Assemble card

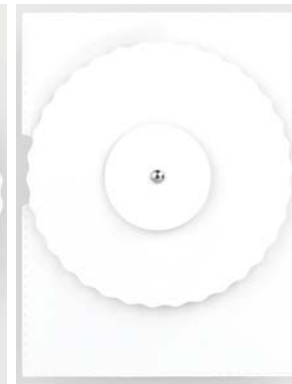

STEP 2

Stamp sentiments on wheel

Tip: Using the six small notches created by the die, lightly draw guidelines with a pencil for easy placement. Erase any pencil marks after stamping.

Attach disks to front and back of wheel with a brad

Apply 3-D foam tape to front disk and attach to back side of card front

Apply 3-D foam tape to back disk and attach to card base
