The collage features a teal map background with various place names. A red house-shaped luggage tag is positioned in the upper left, with a camera icon below it. A central photograph shows a man and a woman smiling together. A yellow banner with a scalloped edge is placed below the photo. To the right, there is a compass icon and a passport icon. At the bottom, there are icons for luggage and a yellow arrow pointing left. Airport codes LAX, HGX, SYD, and LAX are visible at the bottom edge.

This booklet was designed to work hand-in-hand with our beautiful new catalogue to help you make the most of all the inspiring artwork inside. The catalogue includes artwork samples representing everything from basic scrapbook layouts to party invitations, journals, and 3-D projects! There really is something for everyone.

As you browse the catalogue and find specific scrapbook pages, card designs, or 3-D projects you'd like to make, turn to this booklet for an all-inclusive recipe. We've included detailed lists of all the papers, stamps, inks, and accessories you'll need to successfully re-create any of our catalogue projects at home!

## HOW TO USE THIS BOOKLET:

1. Browse the catalogue for particular layout designs, colour schemes, or accessories you'd like to emulate or reproduce in your own projects.
2. Once you've selected a project or technique you'd like to re-create, make a note of the catalogue page number where the artwork appears.
3. Recipes are listed by catalogue page number. Find the corresponding page number, and then scan through the artwork titles for a name that matches your project. Use the recipe included in this booklet to determine all the materials you'll need.

## OUR MISSION:

We show you how to celebrate relationships through discovering your creativity, to preserve and share the moments that matter most.
