

MARCH-APRIL 2024

March is birthday season for me! I've reached a point where I don't think as much about my birthday, but it is still a special time of year. More than presents, cake, or ice cream, what I enjoy most about my birthdays now are the messages of love I receive from friends and family members who make a point of reaching out to me.

Making a phone call or sending a handmade card are simple gestures, but think about what it is like to be on the receiving end of them—how good it feels when someone is thinking about you, and cares enough to let you know! It doesn't even have to be a birthday or other special event to celebrate relationships with simple, meaningful actions like these.

Knowing how good it can make someone feel, I hope you'll take every opportunity to brighten someone's day with a heartfelt expression of love.

Make It from Your Heart,

Jeanette

OPERATION SMILE™

BRIGHTEN THE WORLD WITH SMILES

For over 14 years, we have teamed up with Operation Smile™ to bring smiles to children's faces all around the world. This non-profit organization has worked tirelessly to provide access to surgeries that repair cleft lips and palates in children, especially in places where safe and affordable surgeries are out of reach for those who need it most. When you purchase the Your Smile stamp set, \$7* of the proceeds will be donated to help with their life-changing mission.

**Donation is \$7 USD. Stamp set only available for purchase at full retail price.*
